DIEMERSFONTEIN WINES

The story behind our farm

Diemersfontein has belonged to the Sonnenberg family for 3 generations, dating back to the early 1940s. David's grandfather, Max, bought the 183 hectare farm, which lies in the shadow of the majestic Hawekwa Mountains and boasts a panoramic view of both Du Toit's Kloof and Bains' Kloof mountain ranges.

Richard Sonnenberg planted the first vineyards in the 1970s and in 2000 David built a cellar and started producing estate wines.

Vineyard plantings include: Shiraz, Pinotage, Cabernet Sauvignon, Merlot and also the "lesser known" varieties Viognier, Roobernet and Mourvedre. Diemersfontein's maiden vintage (2001) won the Paul Sauer Trophy for a wooded Pinotage at the SA Young Wine Show, and today the Diemersfontein brand continues to enjoy the success in attaining numerous wine awards.
